POLYTECHNIC HIGH SCHOOL

FORT WORTH, TEXAS

FOREWORD

After graduation day has come and gone, high school friends are scattered far and wide, fulfilling the futures hopefully planned and worked toward during their years at Polytechnic.

In order that the many experiences of high school life may be remembered and recalled in following years, we, the annual staff, have tried to represent in this '49 Parrot a full schedule of your school activities. We hope that it will bring as much pleasure to you now and later as it has to us during its making.

MR. C. A. THOMPSON

With all good wishes
and kindest personal
regards —
Sincerely —
C. A. Thompson

Dear Joe,
I think you
are a swell person.
Here's wishing you all
the luck and happiness
in the world always
Rayene Mansil

Dear Joe,
I've really enjoyed
knowing you these past
months. Stay just as you
are right now and you'll
be "tops" with me!
Remember me,
Judy Evans

Dear Bobby Jae,

I wish we had gotten to know each other better when we were neighbors but you were so snotty you just wouldn't ever play with us so its all your fault!!

I've enjoyed going to school with you this year + I think you're lots of fun-

May you always have the best that life has to offer-

You are very nice + I hope we'll see each other often in the years to come-

Always remember-

Dear Joe,
You have been a grand fellow. You have a grand personality and should go far with your future plans. I hope you do not have too much trouble with your future social life and stay away from the east side of Raly—
Mr Brown

Always,
Jo Anne Galloway

Hi Joe,
I've really enjoyed our friendship even tho we haven't known each other too long. I guess I could wish you lots of luck but I know you're too stupid to have it. No kiddin' Joe, I sincerely hope your life will be filled with lots and lots of luck and happiness. Always Remember, Margaret

I still think you're snotty

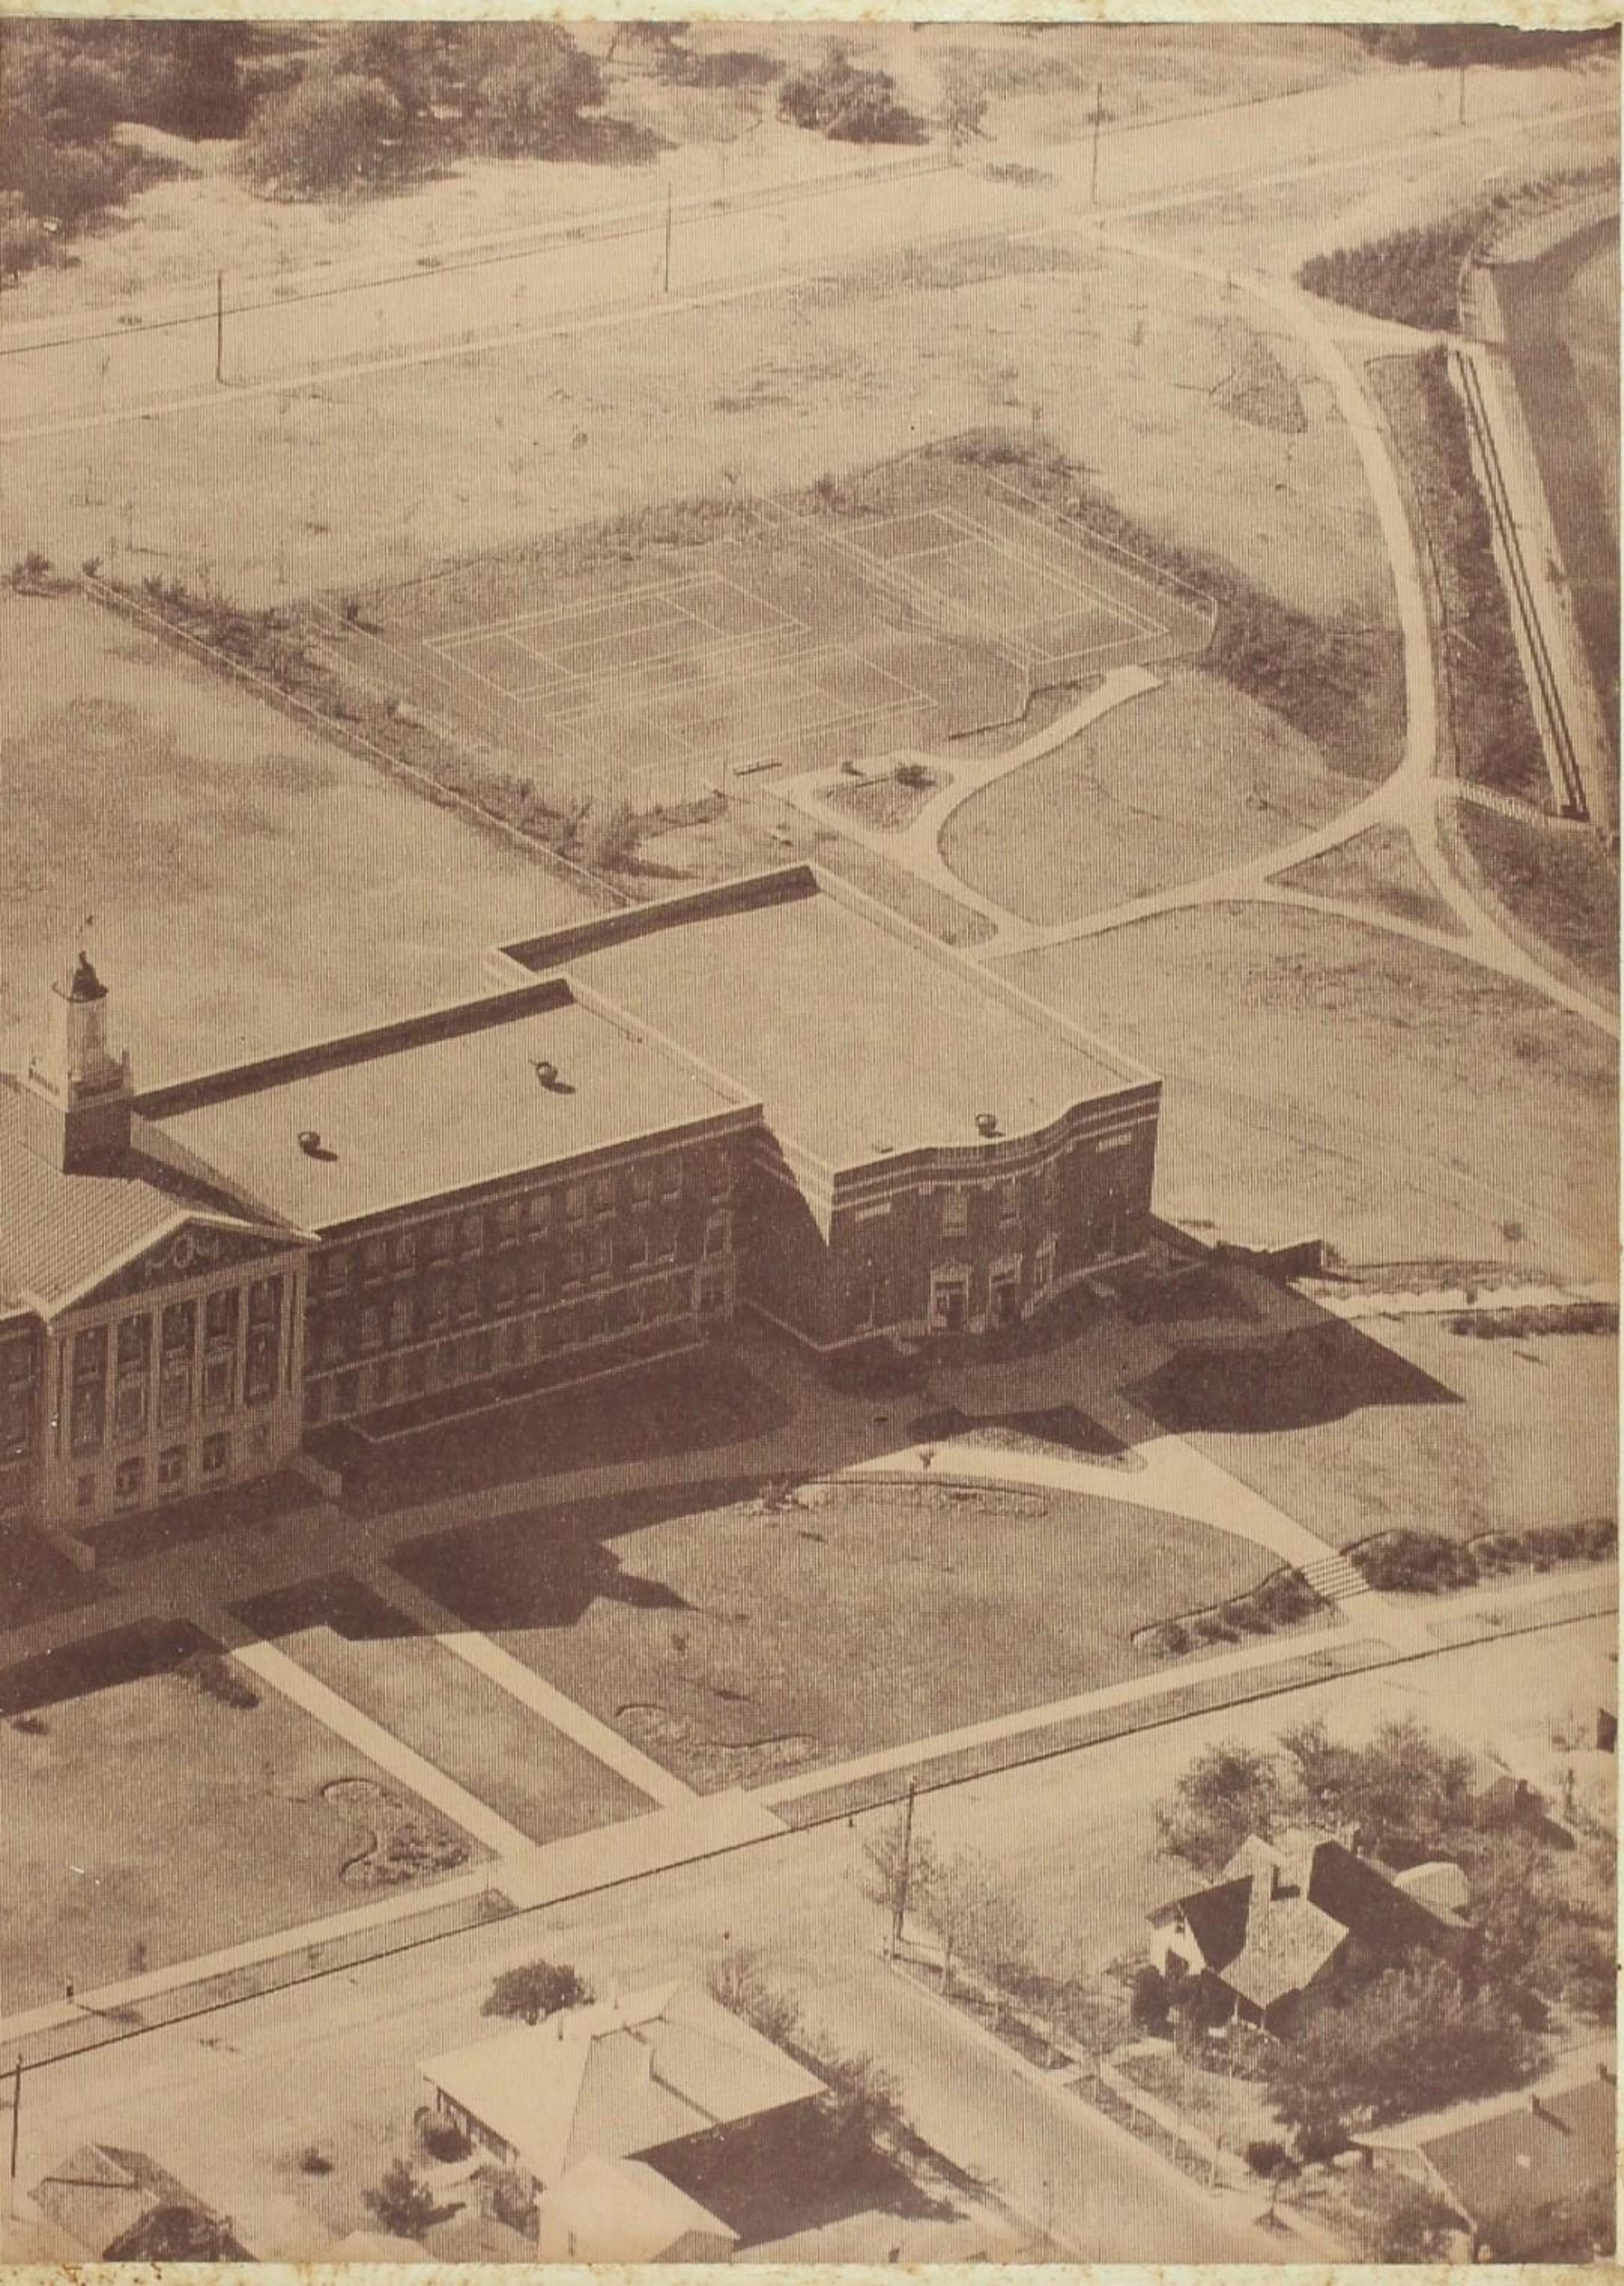
Joe –

I think I'll take this opportunity to tell you how much I enjoyed going with and how much I've enjoyed just knowing such a grand person. I had some of the best times I've ever had with you. All in all I still think you are pretty wonderful.

Love


Carla Dobbs
